

General Management Internship Program

Accelerate your development and strengthen your leadership skills through a well-rounded, hands-on experience. You'll gain exposure to key business lines, contribute meaningfully to your team and build critical skills in project management, business consulting and strategic thinking while deepening your understanding of the healthcare system.

Our **paid 10-week summer internships** are designed for undergraduate students in their junior year, providing an opportunity to build skills, expand education, and advance career goals.

Start here. Grow into a full-time role through our General Management Leadership Development Program.

Connecticut • Rhode Island • Texas

Did you know?

CVS Health® supports your whole well-being with resources for mental health, fitness, mindfulness, financial wellness, and exclusive colleague discounts to help you thrive both at work and beyond.

Program Highlights:

What you'll gain

Gain hands-on experience working on real business projects that support key CVS Health business areas. Build leadership skills through mentorship, collaboration, and exposure to strategic decision-making.

What you'll learn

Learn how business strategy, operations, and innovation drive outcomes across a leading healthcare organization. Develop skills in strategic thinking, relationship building, executive presence, and problem-solving.

What you'll work on

Contribute to impactful projects that address real business challenges and opportunities. Partner with leaders, mentors, and fellow interns to deliver solutions that improve business performance.

Who should apply?

- Students who demonstrate leadership, thrive in team environments, and have an interest in business, healthcare, and future full-time opportunities with CVS Health.
- Majors including Accounting, Business Management, Communications, Economics, Finance, Health Sciences, Healthcare Management, Human Resources, Leadership Studies, Marketing, Psychology, Public Health.

When to apply?

Applications are accepted September through March, or until roles are filled.
